Public Sector Pension Reform is perhaps the biggest issue in the news today with far reaching impacts to state and local agency budgets, labor negotiations, potential changes in public employees' (existing and future) compensation packages, and anticipated to extend into the arena of voter initiatives. This session will identify the major shifts in attitudes, address the legal definition of vested benefits, and provide a solid overview of this complex and critical issue.

****Lunch will be provided****

Cost: \$10.00 (members) / \$15.00 (non-members)

RSVP is required.
